

REMARKS

This Amendment is filed in response to the Notice of Allowance mailed May 11, 2009. For the following reasons this amendment should be entered. No new matter or considerations are introduced by this amendment. This amendment merely corrects an informality. The current extraction section and end plate that are deleted in dependent claims 25 and 26, are also recited in independent claim 24. Thus, these limitations were redundant in claims 25 and 26.

To the extent necessary, a petition for an extension of time under 37 C.F.R. § 1.136 is hereby made. Please charge any shortage in fees due in connection with the filing of this paper, including extension of time fees, to Deposit Account 500417 and please credit any excess fees to such deposit account.

Respectfully submitted,
